**Become equipped to leverage
cultural differences of all kinds
to promote creativity, inclusion
and sustainable high-
performance with individuals,
teams and organizations!**

‘The rise of new markets in Asia-Pacific has brought with it new opportunities for economic cooperation across the region. Leaders must widen the breadth of their cultural awareness across unfamiliar markets, employees and customers.’

HCLI, Global Mindset 2.0: Cultural Awareness No Longer Enough

‘One of the particular advantages of cognitive diversity is that it promotes two things that institutions need: creativity and innovation.’

Cass Sunstein, Harvard University Professor

WORKSHOP OVERVIEW

In our multicultural and fast-changing environment, it is essential to embrace diversity, bridge cultural gaps, learn from cultural differences for more creativity, allowing us to act responsibly, overcome divisions, live meaningfully and strive for internal and external unity.

Leadership and coaching that integrates multiple perspectives is a powerful vehicle for enabling sustainable and global success for ourselves and others. The workshop focuses on the cultural perspective in the context of a broader vision that also integrates physical, managerial, psychological, political and spiritual perspectives.

The objective of the 3-day workshop is to equip leaders, HR professionals, coaches, trainers and consultants to systematically integrate the cultural dimension into their work. The workshop is also destined for interculturalists eager to integrate coaching into their work.

INTERCONNECTED LEVELS OF APPLICATION

- Individual: one-to-one coaching and leadership development training
- Team: team coaching

ABOUT THE COF™ ASSESSMENT

Preferred choice for many users

‘We selected Rosinski’s COF as a conceptual framework and primary assessment tool for several reasons (cultural categories transcend typical categorization, team profile can be utilized for future initiatives, cost effectiveness...). Other models were considered, however the COF framework seemed particularly designed for coaches to have coaching conversations that facilitate leveraging cultural differences and creating new possibilities.’

Dr. C Carr, PCC and L Seto, PCC (Canada), International Journal of Evidence Based Coaching and Mentoring

Multidimensional and flexible

With its 17 dimensions (more can be added on a custom basis), the COF allows us to become aware of our inevitable biases (e.g., how we communicate, think, manage time, organize ourselves, deal with power and responsibility), and to go beyond potentially limiting norms, values and beliefs. The COF allows discovery of new options to increase versatility, creativity and effectiveness. Its underlying dynamic and inclusive view of culture, enables us to build unity in diversity by leveraging cultural differences.

Different scope from traditional intercultural assessment tools

While still allowing comparison of individual profile with various national cultures, the COF assessment has a much broader scope. The COF assessment aims at helping individuals grow by learning from cultural differences of various kinds. Culture here consists of all the characteristics we have acquired along the way, by interacting with various groups of people and being part of different cultural groups (family, generation, profession, company, country, religion, etc.). The COF assessment can be viewed as an equivalent, at the cultural level, to a personality assessment such as the MBTI.

The COF certification will allow you to take advantage of a completely new version of the COF assessment: new design, new features, enhanced version!

The screenshot displays the COF Assessment website interface. At the top left is the Rosinski & Company logo. The main header features the text 'COF™ ASSESSMENT' with the tagline 'Determining individual and collective cultural orientations'. A navigation bar includes 'Home', 'My Account', and 'FAQ'. Below the header is a large group photo of diverse individuals. A central banner states: 'This is the new version of the COF assessment available in English, French, Dutch and Spanish. The first and multilingual version of the COF assessment is still available at www.COFassessment.com'. The main content area is divided into several sections: 'WHAT IS THE COF ASSESSMENT?' (with a 'Learn more' button), 'LEARN HOW TO MANAGE RESPONSIBILITY' (listing 'TIME MANAGEMENT APPROACHES', 'ORGANIZATIONAL ARRANGEMENTS', 'MODES OF THINKING', 'NOTIONS OF FREEDOM AND RESPONSIBILITY', 'DEFINITIONS OF IDENTITY AND PURPOSE', and 'COMMUNICATION PATTERNS' with an 'ITDSB' button), 'COACHING ACROSS CULTURES' (with a 'Find out more' button and a book cover titled 'COACHING ACROSS CULTURES: NEW TOOL FOR LEVERAGING DIFFERENCES'), 'TAKE THE COMPLEMENTARY COF ASSESSMENT' (with a 'Participate' button), 'PROJECT MANAGEMENT' (with a 'Manage projects' button and a bar chart), and 'GET COF CERTIFIED' (with a 'Learn more' button and a photo of a group of people).

TESTIMONIES

‘Having had the chance to participate in this training in June 2017, I can only wholeheartedly recommend it for the quality of the interventions and the pertinence of the transcultural approach developed by Philippe Rosinski. This interactive certification seminar is for any person in a leadership position and/or supporting individuals and teams, eager to liberate the potential residing in cultural diversity. We know that building team cohesion and synergies is not straightforward. This seminar has the merit of offering concrete ways and powerful tools to explore and capitalize on cultural differences, and to transform these into sources of learning and cooperation.’

Martine Neyen

‘This 3-day workshop was nothing short of exceptional. It had a tremendous impact on how I coach across cultures.’

Denis Niedringhaus 聂得力

‘It is an amazing tool that Philippe is bringing into the world. It helps families, teams and organizations to really start to understand each other, to appreciate & leverage similarities and differences, and to become more powerful in the way that they work together.’
